

International Scientific Conference

*September 21-23, 2016,
Ureki, Georgia*

Modern researches and Prospects of their Use in Chemistry, Chemical Engineering and Related Fields

*The conference is dedicated to the 60th anniversary of
R. Agladze Institute of Inorganic Chemistry and Electrochemistry*

Shota Rustaveli National Science Foundation

*R. Agladze Institute of Inorganic Chemistry and Electrochemistry
of Iv. Javakhishvili Tbilisi State University*

Chair of organizing committee :

Dr. Grigor Tatishvili, Director of IICE

Contact E-Mail: conf@iice.ge

Web site: www.conference.iice.ge

Head of Secretariat: Dr. Elizaveta Tskhakaia +995 555526410

About conference

The aim of the conference is acquaintance with results of newest fundamental researches and technological achievements in chemistry and related fields; planning of possible joint researches; deepening of partnership in frames of “Horizon 2020” strategy of EU regional socio-economic development.

Conference Topics:

1. Nano-processes and nanotechnologies.

- Nanopowders;
- Nano-coatings;
- Nanosensors.

2. Fundamental and technological aspects of processing of mineral product and secondary raw materials.

- Fundamental and technological aspects of processing of natural resources of Georgia;
- Fundamental and technological aspects of processing of recyclable materials and industrial waste.

3. New methods for ecological and radiation safety, medical and agrarian researches.

- New methods and technologies for purification of waste water and drinking water;
- New materials with radio-protective properties and technologies of radiation safety;
- Modern methods of analysis for safety of medicine and agricultural products.

4. Energy.

- Sources
- Conversion
- Storage

No fee is charged for conference participants!

FIRST CIRCULAR

Conference Presentation Types:

- **Resume** [no more than 100 words, in English].
- **Abstracts** [one page, format A4].
- **Papers** [format A4, 4 pages, in English].
- **Posters must be in printed form.**

Oral presentations

Duration: 15 minutes, followed by 10 minutes for discussion.

Languages: Georgian, English, Russian

Detailed information on how to produce abstracts, posters and papers will be reported in second circular.

Original papers will be considered for publication in journal of Georgian National Academy of Sciences "Matsne" and Azerbaijanian Journal "Chemical Problems". The Journals are reviewed by "Chemical Abstracts".

Abstracts will be published in the form of proceedings.

Important dates:

Conference Dates: September 21-23, 2016

Deadline for registration : June 10, 2016

Deadline for Abstract Submissions: June 30, 2016

Deadline for Paper Submissions: July 31, 2016

***Conference Venue:
Hotel “Kolkhida”, Ureki, Georgia***

Hotel provides Exclusive rates to participants of the conference.

Ureki is one of the coastal health resorts of Georgia. It is known for its magnetic sand, which has therapeutic properties.

Hotel “Kolkhida” is located in Ureki, 50 meters from the sea. It is surrounded by pinery, owns tropical garden and 250 meters long private beach. Subtropical climate, warm Black Sea and magnificent magnetic sand guarantees fantastic relaxation after busy days of conference.

Free Wi-Fi and cable TV are provided in every room and apartment at the “Kolkhida” Hotel.

The nearest to Ureki airports are:
Kutaisi (KUT), Batumi (BUS), Tbilisi (TBS)

You can see any information about hotels of Ureki on these websites:
